

# BEST GREEN PRACTICES SUMMIT

**Dear Friend,**

**“Please accept my invitation to attend the Best Green Practices Summit. The Summit has been developed to bring together key leadership from across New Mexico to network and share best green practices. Breakout sessions will present best practices in green building and development, energy conservation, resource conservation and waste reduction along with other practices that are proven to reduce our impact on the environment.”**

**Mayor Martin J. Chávez  
City of Albuquerque**
